

Certificate No. CU 72122479

- Certificate Holder
SRI Instruments Incorporated

6440 Sunset Corporate Drive
89120 Las Vegas
United States

- Certificate Number
CU 72122479
- Certified Product
Gas Chromatography System

Model Designation:
110, 310, 410, 8610C, 8610D, 8610V

- Fulfilled Standards
UL 61010-1:2004 R10.08
CAN/CSA-C22.2 NO. 61010-1-04+G11

The standard(s) listed here reflect the status at the time of the release of this certificate.
For more standards and/or upgrades please refer to the latest pages of the same certificate no.

- Date of Issue
2012-10-31
- Certificate Type
US + Canada Certificate

cTUVus Mark (CU-Certificate) *Approval for the North American Market*

This test mark, also referred to as the "cTUVus mark," serves as proof of compliance with the Canadian national standards adopted by the Standards Council of Canada (SCC) and US national standards.

Provincial Regulators across Canada and U.S. Authorities Having Jurisdiction (AHJs) recognize the cTUVus mark as proof of product compliance to published national standards and code requirements. Retail buyers accept it on products they're sourcing. Consumers recognize it on products they purchase as a symbol of safety.

It shows that a product has been tested and certified by an independent accredited third party laboratory.

TÜV Rheinland tests a product sample and conducts repeat factory inspections to assure continued compliance. The validity of the certificate does not expire unless the standard(s) expire or the client cancels it. Certified products may be labeled with a test mark.

TUV Rheinland is an Accredited Product Certification Body by SCC (Standards Council of Canada) in Canada.
